Subject: U&O FIP: draft letter to Ute Tribe

As discussed yesterday I have put together a first draft of a letter to follow up on the meeting; you can view and edit it here on Sharepoint:

https://usepa.sharepoint.com/sites/R8_Work/tribalFIPs/UOUintaBasinFIP/layouts/15/guestaccess.aspx

We should probably circulate it to anyone else who may want to look at it no later than Monday, but since it will be coming from our region I wanted to give this group a crack at it first to see if I have hit the right tone and captured all of the main points. Please make any edits you think appropriate, and please let me know if you have any questions. Thanks.
